

# CESSNA GRAND CARAVAN C208B ZS-SKY

The Cessna Grand Caravan is the ideal aircraft for any African flying safari. It flies low and slow for optimum sight seeing along your journey and operation into unpaved runways. Powered by the reliable Pratt & Whitney PT6 turbine engine, this aircraft will fly you and up to 11 of your family and friends into the heart of Southern Africa in opulent luxury along with all your travel gear safely stowed in the generous cargo pod.
